

Short-term Japanese Program (3 weeks 6 weeks)

The Japanese Language Program, offered by the Center for Japanese Language at Waseda University, is a 3 week or 6 week program to study Japanese language intensively. This program is targeted mainly at the beginners. The students study 10 lectures/week (15 lectures/week for the summer course). The carefully selected text books are used for improving your basic Japanese skills.

Course Duration

3 weeks 6 weeks

Each 6 week course consists of first 3 weeks and second 3 weeks. Choose your preferred study period from next three options: 6 weeks, first 3 weeks, or second 3 weeks. Refer to the Center for Japanese Language website for more details.

Spring course May and June **Summer course** June, July, and August
Fall course October and November **Winter course** December and January
